The Kincardine Trails Association (KTA) in conjunction with the Municipality of Kincardine (MoK) and the County of Bruce (County) is heading up a fundraising drive to cover a portion of costs of the 12km Kincardine to Inverhuron Provincial Park Trail, aka **KIPP Trail**.

**Who is the KTA?** A volunteer committee that was formed in 2001 and is committee of Municipal Council

#### **What are the main points of the KTA Strategy?**

*To promote Trail development and use in Kincardine area for a variety of uses through all seasons*

- Phase I        Develop and maintain passive use trails in the Town of Kincardine (30km to date)
- Phase II        Develop and maintain passive and multi-use trails between Kincardine and Inverhuron Provincial Park in Wards 2 & 3
- Phase III        Provide and maintain a 5km trail link between Phase II and the 78km Bruce County Rail Trail (BCRT) in Ward 3  
*Connecting Communities!*

#### **What is the composition of the KIPP Trail to be?**

- Phase II A        5km paved path, 1.8-2m wide in the west ditch of Bruce Road 23 (B-Line)
- Phase II B        7km shared route using lower roads, sidewalks, pedestrian bridges, etc

<b>How can additional funds be raised?</b>	Grant applications

**How can the community contribute?** Businesses, organizations and individuals may choose to do a one time donation OR spread the donation out over the three years of the project (just indicate so on the donation form).

**Are there any benefits to donating?** The main benefit is for the entire community to have safe access to an active transportation route that also includes positive recreation, economic and environmental gains. The KIPP Trail fundraising brochure which is also available on [www.kincardinetrails.net](http://www.kincardinetrails.net) talks to the various levels that one can contribute to and what incentives there are at those levels.

**Will donation tax receipts be issued?** YES  
Note: The donation must be made out to the Municipality of Kincardine re KIPP Trail

**What is a Trail Head sign?** There are currently three trail head signs in the Town of Kincardine (Station Beach, Dunsmoor Park and Geddes Park). These signs include a trail map and speak to the different trail routes and trail uses.

**What is 'way finding' signage?** Think of a kilometre (mileage) marker. Besides of signage along the route that indicate the route of the path there will be way finding signage at every kilometre that will include 1) kilometre number, 2) a 'you are here' map and 3) the company/organization logo that has sponsored that kilometre at the Corporate Sponsor level.
